COVID-19 Virus

Dear Parents/Carers

We are continuing to follow guidance from Public Health England and the Local Authority with regard to keeping everyone safe. **Children who become unwell with a persistent cough and/or high temperature should remain at home for 7 days.** The full guidance can be found here: <https://www.nhs.uk/conditions/coronavirus-covid-19/>

We will continue to update you with information as and when this becomes available to us. The staff teams in both Big Nursery and Little Nursery are working closely together to continue to give your children high quality learning experiences, and we are aware that in the coming weeks we may see increased child and staff absence. We will of course keep you fully updated.

In light of the current circumstances, we have unfortunately decided to cancel the Easter Egg Hunt for both Big and Little Nursery. We will also be cancelling Big Nursery's visit to Church. These are unprecedented times and advice from the Government is changing on a regular basis. The Governors and staff at Stockingford Nursery School are committed to making sure that your children remain safe. Please contact the school if you have any further queries.

Kind regards

Sharon Kindred
