

St Paul's Road, Nuneaton, Warwickshire. CV10 8HW

Katherine King
Headteacher

Dear Parent/ Carer,

First Aid Incident and Medication Administration Notifications

At Stockingford Nursery, we work very hard to keep parents regularly informed about first-aid incidents and medication administration at school. To help make improvements in these areas, we use a service called Medical Tracker.

Medical Tracker allows us to inform parents/carers of first aid incidents and medication administration by email which means that:

- :
- You may be notified as soon as possible after a first-aid incident by email
 - You may be notified as soon as possible after medication has been administered by email

Please check your emails for notifications from medical tracker. On the message there will be a link which you **MUST** click to acknowledge that you have read the message.

[Click here to acknowledge](#)

Important – All email messages will be sent from donotreply@medicaltracker.co.uk. Please add this address to your email address books (or approved sender list) to prevent messages from being blocked by your SPAM/JUNK filters.

Kind regards

Katherine King
