16th November 2021

Dear Parents/Carers

Happy 80th Birthday to our Nursery School!

As I'm sure you will be aware from our last newsletter, we are very excited to be celebrating our 80th Birthday this academic Year!

St. Pauls Nursery, as it was called when it was built in 1942, was originally designed to be a care Nursery for children whose mothers worked in munitions factories. In 1949, the Nursery was turned over to education and received its designation as a School. We have a long and colourful history, including being temporarily rehomed for a while in the Phoenix Club whilst building work took place!

Our Birthday Party will take place in May 2022, and in the meantime, we are looking to gather as many memories as possible from our community, who can tell us more about their time spent at the Nursery School.

If you or any member of your family have memories to share, please don't hesitate to call in at Reception, telephone us on 02476 383708 or email admin1041@welearn365.com

Thankyou!

Sharon Kindred
