Monday 31st May - Friday 4th June - May half term

Wednesday 21st July - Teacher Training Day

Thursday 22nd July - SUMMER HOLIDAYS

Goodbye

On Friday we said goodbye to our Early Years Apprentice Megan who has taken up a new post in a Day Nursery closer to home. Charlie (Miss Cashmore) has joined the Little Nursery staff team from Big Nursery for a while and the Nursery School is in the process of appointing a new Early Years Apprentice .

Remote Home Learning

We will be supporting our families with Remote Home Learning should your child have to self-isolate. This will be provided by text links to our Stockingford Nursery School website – www.stockingfordnurseryschool.co.uk where daily activities and weekly 'Making Memories' challenges will be posted. Information will also be provided on our Stockingford Nursery School Facebook page. Please feel free to contact us with any questions and to share photographs of home learning by using our parents email: parents1041@welearn365.com

Layers of clothing

To keep children warm when playing outdoors, please can children come to Nursery with layers of clothes on: a vest, t-shirt and jumper.

Please could children have a change of clothes everyday due to COVID - 19.

British Values - Rule of Law

Rule of Law is linked to Managing Feelings and Behaviour in the Early Years Foundation Stage, which is part of Personal Social and Emotional Development. We need to support children in understanding their own behaviour and how it can impact upon others. At Stockingford Maintained Nursery School, we follow expectations, policies, procedures and routines. Children are supported to understand and adhere to the expectations and boundaries in our Nursery. Some of our expectations include 'kind hands', 'listening ears' and 'tidy up time'. We also support children to develop skills of sharing and turn taking. We reinforce this through Makaton, Communication in print symbols and through modelling. Children are supported to begin to understand their own & others' behaviour and to think about consequences and learn to distinguish right from wrong. Teaching staff are keen to encourage children to make positive choices, so their setting is a happy and safe place for them to learn and thrive.

REMINDER

Just a reminder, can you please phone **02476 383708** or contact the parents email address: **parents1041@welearn365.com** if your child is having to self-isolate or tests positive.

Emergency School

Closure

We will text parents and put it on Facebook. You can find further information on:

IMPORTANT

Coats and bags

Please can you make sure your child brings their winter coats to Little Nursery and you have put their name in both their coats and bags. This would be really appreciated. In their bags could you please put nappies, wipes, (pants if toilet trained) and a spare change of clothes.

Thank you.

Teaching and Learning

At group time the children have enjoyed our 'Tip,Tip,Dig,Dig' story about lots of vehicles. Staff have encouraged the children to join in with familiar words and actions.

Staff have also read the story of 'Goldilocks and the Three Bears', introducing the language of size.

Staff continue to encourage sharing and turn taking. Children have been helping to make an 'Ice Sculpture', using glue, paint and different materials.

We are encouraging self-help skills at Nursery, e.g. taking off coats, hanging on coat pegs, washing and drying hands.

Makaton signs of the Month - January

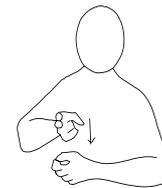

We will be helping children to communicate through Makaton signs and spoken language.

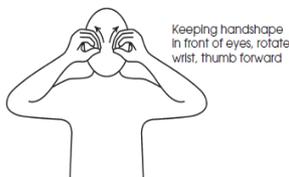

We are proud to say we are Makaton friendly

Please note we support messaging from UK numbers only, which will be charged at your normal rate.

Well being corner

Try to focus on being active this time as one of the 'Five ways to well-being'

1. Take notice
2. Keep learning
3. Connect
- 4. Be active and be creative**
5. Play

Being active is great for your physical health and fitness, and evidence shows that it can also improve your emotional and mental wellbeing such as depression and self-esteem. We often think that the mind and body are separate but what you do with your body can have a powerful effect on your wellbeing.

Being active doesn't mean you need to spend hours in the gym. Think about some physical activities that you enjoy and fit more of them into your daily life such as going for a walk or running, cycling, play a game, gardening, dancing, yoga exercising or aerobics.

Being active for children is also really important both for their health and wellbeing. Here are some ideas for them to stay active:

Physical activity ideas for under 5s

All movement counts. The more the better.

- playing with blocks and other objects
- messy play
- jumping
- walking
- dancing
- swimming
- playground activities
- climbing
- skip
- active play, like hide and seek
- throwing and catching
- scooting
- riding a bike
- outdoor activities - skipping

Most importantly, discover a physical activity you enjoy and that suits your level of mobility and fitness and remember, "No-one can give wellbeing to you. It's you who has to take action," (Professor Stewart-Brown).
