Parents/Carers

Can we please remind you:

- grapes in children's lunchboxes need to be cut lengthways (to prevent a choking hazard)

Because of potential allergies:

- no nuts in lunchboxes
- no nut based products
i.e. peanut butter or hazelnut spread
- no seafood i.e. crab sticks

No fizzy drinks – even diet ones

Can you also please check 'use by dates' of yoghurts etc.

Kind regards

Sharon Kindred
