Dear Parents/Carers

Our Birthday Celebrations Continue!

We are having such a wonderful time at our Birthday parties! This has been such a special week for us, and the children have been really engaged in listening to 1940's music, looking at and thinking about toys from 80 years ago. Our balloon arch and balloons have made our Nursery School feel so exciting and vibrant!

The fun hasn't stopped just yet! Tomorrow (Friday 13th May) we have arranged for a children's entertainer to visit during the morning and afternoon sessions. Children in Little Nursery and Big Nursery will have the opportunity to watch the Entertainers show, however should they choose not to, then play environments will continue to be available.

We hope your children have enjoyed the Birthday celebrations this week. If you haven't had time yet, please do come and look at the historical information on display in reception, and thank you for your support as always.

Kind regards

Sharon Kindred
