Washing Dolls - 05.02.21

Encourage your child to choose a favourite doll/toy that can be washed. Fill a bowl with bubbly water; let your child bath their toy. Encourage them to care for their toy. Talk with your child about washing their toys face, arms, and legs. Let your child dry their toy and give them a hug.

While their toy is being washed, you could sing with your child; "Wash your dirty hands, wash your hands. Rub and scrub and rub and scrub and wash your dirty hands!"

This can be sung about other body parts.

If you do have a go, we would love to see your pictures so if you would like to share your child's learning, please feel free to send us a photograph to parents1041@welearn365.com
