Headteacher

9th March 2021

Dear Parents/Carers

Return to Nursery

Welcome back to all our children whose parents have chosen for them to return today – it is so good to be all back together!

Now that we have more children onsite can I please take this opportunity to offer a few reminders:

- Please don't come onto the site before the start of your session, and at the end of the session when you have collected your child please leave site swiftly.
- **Facemasks are required to be worn onsite by grown-ups** dropping off and collecting children, **unless you are medically exempt.**
- Please where possible do not send your child into Nursery with toys/cuddle blankets – your keyworker will work with you to support the transition process.
- Staff will be social distancing from each other and also practising good handwashing – and helping children to do this as well.
- **Please do not send your child to Nursery if they are at all unwell.** If your child appears unwell during session staff will call you and ask you to collect them.
- We do have a supply of postal COVID-19 testing kits onsite – these are for your Nursery child only.
- Please adhere to the National Government guidelines as Lockdown begins to ease in order to keep everyone as safe as we can.

We are looking forward to a busy few weeks of getting back into routine before the Easter holiday.

Kind regards

Sharon Kindred
