12<sup>th</sup> September 2022

Dear Parents/Carers

## Friday 16<sup>th</sup> September - Jeans for Genes Day.

This is a fundraising event where **children will be encouraged to wear Jeans, Denim or something blue** to raise money to help children born with a genetic disorder.

- 1 in 25 children are born with a genetic disorder.
- There are over 6,000 types of genetic disorder, and everyone is different. A child with a genetic disorder may have learning difficulties, skin conditions, experience epilepsy or autism or lose their sight or hearing.

Please help us to raise money by bringing a donation to nursery for wearing jeans. Donation pots will be located outside the nursery door at the beginning and end of sessions. We will also be upcycling denim and having lots of fun during the nursery session.

Many Thanks

Katherine King  
Lead Teacher
