50 Things to do before you're 5 — Family Learning Workshops

For parents – find out about the app, sample some activities and discover easy ways to help your child's development. Workshops include:

Communication – talking and signing with your child

Literacy– love books, get ready to write

Numeracy –numbers, connections, patterns and more

Science – using children's natural curiosity to explore the world

Food – have fun in the kitchen, try something new

Art – get creative and explore the senses

Various sessions and times available including morning, afternoon and evening.
