Provision from 1st June 2020

Dear Parents/Carers

Following on from the Government review of the 5 tests last night for easing lockdown, I am able to give you the following updated information.

- **Week beginning 1st June** - we will continue to offer places onsite for children of keyworkers or vulnerable children only this week. If you are **not** currently accessing this provision, then please **do not** come to Nursery with your child on June 1st.

As part of our processes for considering the safe return of children and families to the Nursery site, we have had to complete an extensive risk assessment. Our risk assessment has now been endorsed by the Local Authority, and we will be sharing this with our Governing Body for approval at our Governors meeting on June 4th.

I will therefore be able to contact you with further information on Friday June 5th.

Thank you for your continuing support for the Nursery School.

Take care, stay safe.
