

Stockingford
Nursery School

St Paul's Road, Nuneaton, Warwickshire. CV10 8HW

Sharon Kindred B.Ed, MA, NPQH

Headteacher

22nd January 2021

Dear Parents/Carers

Arrangements in line with our COVID-19 Workplace Risk Assessment

I hope you are continuing to keep well in these challenging and difficult times. We will be continuing to adhere to our COVID-19 Workplace Risk Assessment to keep our children, families and staff as safe as we can.

School remains open, and the offer of education will continue to be:

- Places onsite will be available for children of critical workers where this is required and those whose learning is more vulnerable as a priority.
- Some children may access a 'blended learning' offer – accessing some sessions onsite but also accessing the remote learning activities that are being sent to you on a text link and posted on Facebook.
- Some children will access remote learning at home only, these learning opportunities are sent to you on a text link and posted on Facebook.

Remote Learning Activities can be accessed direct from our website:

www.stockingfordnurseryschool.co.uk

We will continue to keep you fully updated as we regularly review our Risk Assessment. Please don't hesitate to email us on parents1041@welearn365.com or telephone us if you would like to talk to Nursery staff. Keyworkers will be making regular calls home to you during this time. Thank you as always for your support.

Take care, Stay safe

Sharon Kindred
