26<sup>th</sup> January 2022

Dear Parents/Carers

### Government Guidance for Plan B – COVID-19

In line with the Government review of their Plan B guidance and the intention to revert back to Plan A from the 27<sup>th</sup> January, I would like to confirm the following:

From the 27<sup>th</sup> January:

- Face coverings will no longer be required to be worn either indoors or outdoors whilst onsite. We do however, respect individual wishes of parents/carers who may continue to wish to do so.
- We recognise that Public Health guidance will remain in place, suggesting individuals should continue to wear a face covering in crowded and enclosed spaces, where you may come into contact with people you do not normally meet.
- We will no longer ask only one person to drop off or pick up their child from session.

We will still have measures in place as identified on our COVID-19 Workplace Risk Assessment, such as regular handwashing and ensuring adequate ventilation.

We also have our Outbreak Management Plan guidance, and may need to activate this if we have an outbreak of COVID-19 in Nursery School.

Thank you for continuing to support the Nursery School to keep our School community as safe as we possibly can.

Kind regards

*Sharon Kindred*
