

Going on a Listening Walk

In little Nursery we listen to the sounds and noises around us. Take your child for a walk around their home or in the garden and listen to all the sounds you can hear. Before you begin, remind your child about the things that good listeners

do (e.g. keep quiet, have ears and eyes ready). Encourage your child to listen carefully to the sounds around them. Talk about the different sounds they can hear.

Why not have a go and take your child on a listening walk. It is really easy and so much fun!

Remember we would love to see your pictures so if you would like to share your child's learning, please feel free to send us a photograph to parents1041@welearn365.com
