Dear Householder

DO YOU HAVE WORKING SMOKE ALARMS WITHIN YOUR PROPERTY?

As part of the Fire Server strategy to reduce death and injury due to fire in the home, we are carrying out home fire safety visits in your area.

We can visit your property and carry out a **FREE** home fire safety visit.

Our home fire safety visits included valuable fire safety information to help keep your and your family safe. If you have smoke alarms, we will check they are working and sited correctly. If not, we will fit smoke detectors where required **FREE OF CHARGE**.

We have already fitted free smoke detectors and given advise to many people in your area. If you or someone you know would like a home fire safety visit, please call WCC customer service on

01926 466282

We will then arrange a suitable time to visit and you, all officers will attend in uniform, in a fire service vehicle and carry ID. Please do not be afraid to ask to see their ID badge.
