Dear Parent/Carer

CHILD SAFETY

Here is some important information to support you with keeping your child safe when travelling to and from nursery.

We have zig-zag parking restrictions outside nursery to keep your child and others safe. Please **DO NOT** park on these as you are putting your child's safety and the safety of others at risk of danger. **We have notified the police who may take action, as this is a parking offence.**

Please can all parents make sure that their child is safe if travelling to and from nursery by car. Please click on the links for more safety information:

If you are travelling by car, your child should be using a car seat that is securely fastened with a seat belt. For more information, please see the Gov.Uk website:
<https://www.gov.uk/government/news/smoking-in-vehicles>

Please note that it is illegal to smoke in a vehicle with anyone under 18. For more information, please see the Gov.Uk website:
<https://www.gov.uk/government/news/smoking-in-vehicles>

Please can you work together with us to safeguard your child from danger.

Kind Regards

Katherine King
