1st March 2022

Dear Parents/Carers

World Book Day

On **Thursday 3rd March 2022**, we will be celebrating 25 years of World Book Day. This year to celebrate we will have lots of fun storytelling and book sharing activities in nursery or at the library for the children to enjoy. At nursery, we value the importance of developing a love of stories and books together to support communication and early literacy skills. Through books, children will develop their language skills as they learn new vocabulary to name and describe what is happening in the story or on the illustrations.

'Reading for pleasure is the single biggest indicator for success in life, more than family circumstances, educational background or income'

All children will be given a £1 book token. When you get your book token, all you need to do is find your local participating bookshop and swap it for one of the new and completely free World Book Day books! Alternatively, you can use your book token to get £1 off any full price book instead, just as long as the book costs at least £2.99.

World Book Day book tokens are valid from **17th February – 27th March 2022.**

Also it would be a good opportunity for you and your child to join your local Library if you have not already. You can borrow books for free and join in inspiring reading activities!

Children will not be expected to dress up for World Book Day, but are welcome to if they wish.

Kind regards

Mrs King
